

## Manor Primary Sports Premium 2016/17

### **What is the Sports Premium?**

The Government is providing funding of £150 million per annum for the academic years 2013/14, 2014/15, 2015/16 and 2016/17 to provide new, substantial primary school sport funding. This funding is being jointly provided by the Departments for Education, Health and Culture, Media and Sport, and will see money going directly to primary school headteachers to spend on improving the quality of PE and sport for all their children.

The sport funding can only be spent on PE and sport provision in schools.

### **Purpose of funding**

Schools will have to spend the sport funding on improving their provision of PE and sport, but they will have the freedom to choose how they do this.

### **Funding for Manor**

For the academic year 2016/17 Manor has been allocated **£9,485**

### **Physical Education at Manor**

We believe that it is important for all children to understand the importance of physical exercise, to be taught to develop skills in a range of sports and to have opportunities to compete against others.

We provide a wide range of opportunities for PE, both within the school day, and outside of it. We work with other schools in the locality to provide opportunities for competitions and tournaments.

The governors agree that, along with all other areas of the curriculum, all children must benefit from opportunities regardless of sporting ability; that the most able children are given the opportunity to compete at appropriate levels; that staff have access to training opportunities and continued professional development; all sporting opportunities are funded by the school in order to support all families financially.

**We invested a lot of money in sporting activities last year (2015-16) and we have evaluated the impact of this spending.**

We used the Sports Premium funding of £9,070 (2015-2016) to increase the capacity and range of sporting After School Activities that we offer, by bringing in additional coaches from outside providers, and put an additional sports coach in the playground at lunchtimes to support the sports provision for all the children.

<b>TOTAL</b> <b>£44,599</b>		

At Manor we have always invested in giving our children a wide range of opportunities to help them become more physically active and to find sports and activities they are good at and want to enjoy taking part in in their own time. As you can see, we continue to allocate a significant amount of money to PE (above and beyond the allocated Sport Premium). We are pleased that the additional funding is making it possible for us to provide even more than we have done in the past.

**The following table explains how we are funding the teaching of PE and school sport at Manor for 2016 – 2017 and describes what we expect the impact of this funding to be.**

<b>Area / Cost</b>	<b>Description</b>	<b>For whom</b>	<b>Predicted Impact</b>
Swimming  <b>£4,958</b>	Swimming is an essential life skill. We provide swimming lessons for all children in Year 5 (10 one hour block) and all children in Year 4 (10 one hour block) in the Aquatics Centre in the Olympic Park. Swimming lessons are provided to the children free of charge.	Years 3 & 4	Increased water confidence of participating pupils. Promote swimming outside of school.
After School Activities  <b>£10,250</b>	We offer a wide range of ASA and teachers, run by school staff and outside agencies. This year we have employed sports coaches to run football, boxing, dance, netball, tennis, cricket, tag rugby and fencing. All our clubs are free to the children to enable all to participate. We hope that at least half our children will attend one or more ASAs this year.	Reception – Year 6	Increased participation in sports based ASA. Improved level of skills being demonstrated leading to success in competitions. Increased enjoyment. Improved levels of fitness.
Lunchtimes  <b>£14,554</b>	Two sports coaches provide targeted PE activities for children in both key stages each day at lunchtime. We have a new table tennis area which is timetables so each year group can participate. In addition there is a variety of sporting equipment which is available for all children to use. These sessions may involve learning a new sport, or improving skills in a familiar sport, with the emphasis on fun and enjoyment.	KS1 & KS2	Increased participation in organised sporting activities. Improved level of skills being demonstrated leading to success in competitions. Increased enjoyment. Improved levels of fitness.
Outdoor Education	Our Year 6s have a week-long visit to Fairplay House, an outdoor education centre in Maldon, Essex, where they	Year 6	Improved teamwork across a range of activities.

	take part in activities such as rock climbing, canoeing, sailing and archery. The school pays for the tuition during this week, with parents paying for board & lodgings.		Opportunities to try a wider range of sports / activities than are available in school.
