

## Manor Primary School Pupil Premium Strategy Statement 2018-2019

Total Pupil Premium Allocation: £142,560	Date of most recent PP review: Summer 2018
Number of pupils eligible for pupil premium: 84	Date of next internal review of this strategy: Spring 2019

The pupil premium is additional funding for schools in England to raise the attainment of disadvantaged children and narrow the gap between themselves and their peers. It is primarily allocated through the number of children entitled to free school meals at any point within the last six years (not universal infant free schools meals). Schools may receive additional funding for certain pupils – information can be found at [www.gov.uk](http://www.gov.uk) for the full terms of the Pupil Premium fund.

Children at Manor face a range of barriers to learning. Each child is unique and requires a unique approach. However there are some common themes to barriers experienced by children considered disadvantaged (and may also be experienced by children not considered

In school barriers		Out of school factors	
A	Real-life experiences beyond local area (West Ham, Stratford, Newham) are limited	D	Housing issues: overcrowding, poor living conditions, risk of eviction, temporary housing arrangements
B	Poor language skills impacting on both verbal and reading abilities	E	For pupils working just above the PP criteria – parents working long hours, night shifts and short term contact work
C	Parent/carer abilities to be able to support their children's learning (decreases as child progresses through school) and parent/ carers engagement in school life and child's education	F	Emotional, social and mental health needs which impact on focus/concentration and on behaviour

The desired outcomes of Manor Primary's use of the Pupil Premium Fund:

Desired outcomes			
A	All pupils to achieve well in line with their peers at the end of their primary education	D	Families to feel supported by the school so that they are able to focus on supporting their children's learning outside of school, including specifically targeted families.
B	Pupils to have similar opportunities and experiences during their time at primary school as those from more affluent areas	E	Gap closing with National for more able disadvantaged pupils
C	Pupils to leave Manor Primary as confident and determined learners prepared for their next stage of learning (academically and emotionally)	F	Targeted pupils have an increased positive attitudes towards school and learning and an understanding of their learning resulting in increased levels of attainment and progress.
