

Manor Primary Sports Premium 2018/19

What is the Sports Premium?

The Government has doubled its Sports Premium for the academic years 2017/18 and this has continued into 2018/2019. This funding is being jointly provided by the Departments for Education, Health and Culture, Media and Sport, and will see money going directly to primary school headteachers to spend on improving the quality of PE and sport for all their children.

The sport funding can only be spent on PE and sport provision in schools.

Purpose of funding

Schools will have to spend the sport funding on improving their provision of PE and sport, but they will have the freedom to choose how they do this.

Funding for Manor

For the academic year 2018/19 Manor has been allocated £18,360

Physical Education at Manor

We believe that it is important for all children to understand the importance of physical exercise, to be taught to develop skills in a range of sports and to have opportunities to compete against others.

We provide a wide range of opportunities for PE, both within the school day, and outside of it. We work with other schools in the locality to provide opportunities for competitions and tournaments.

The governors agree that, along with all other areas of the curriculum, all children must benefit from opportunities regardless of sporting ability; that the most able children are given the opportunity to compete at appropriate levels; that staff have access to training opportunities and continued professional development; all sporting opportunities are funded by the school in order to support all families financially.

We invested a lot of money in sporting activities again last year (2017-18) and we have evaluated the impact of this spending.

We used the Sports Premium funding of £18,650 to increase the capacity and range of sporting activities on offer. We have increased sporting activities during lunch times and after school, by bringing having a full time sports coach and bring in additional coaches from outside providers.

Area / Cost	For whom	Impact
Swimming £5000	Years 3 & 4	Doing the swimming as a two week block at the Aquatics Centre rather than weekly for the term worked extremely well. <ul style="list-style-type: none"> • Higher level of confidence displayed by the children. • More children were able to swim the 25 metres. • Children were more enthusiastic about swimming outside of school. Many children have joined swimming clubs in their own time.
After School Activities £4266	Reception – Year 6	<ul style="list-style-type: none"> • Increased participation in sports based ASA. • Increased enjoyment. • Improved levels of fitness. • Children have tried out new activities.
Lunchtimes £7381	KS1 & KS2	<ul style="list-style-type: none"> • Increased participation in organised sporting activities • Improving level of skills being demonstrated • Increased enjoyment • Improved levels of fitness • Positive impact on children's behaviour
Outdoor Education £11576	Year 6	<ul style="list-style-type: none"> • Children have participated in a very wide range of new and very challenging activities, impacting positively on their confidence levels. • Teamwork was greatly increased as they had to work together in many activities.

At Manor we have always invested in giving our children a wide range of opportunities to help them become more physically active and to find sports and activities they are good at and want to enjoy taking part in in their own time.

The following table explains how we are funding the teaching of PE and school sport at Manor for 2018 – 2019 and describes what we expect the impact of this funding to be.

Area / Cost	Description	For whom	Predicted Impact
Swimming £3,900	Swimming is an essential life skill. We provide swimming lessons for all children in Year 3 (10 one hour block) and all children in Year 4 (10 one hour block) in the Aquatics Centre in the Olympic Park. We also hope to send our year 6 on a one week intensive swimming lessons during the summer term. Swimming lessons are provided to the children free of charge.	Years 3, 4 and 6	Increased water confidence of participating pupils. Promote swimming outside of school.
After School Activities £4,150	We offer a wide range of ASA run by school staff and outside agencies. This year we continue to employ our own full time sports coach and we will also employ external coaches to increase the number of after school clubs available to the children. Some of the clubs are free but we have introduced a fee of £5 for 10 one hour sessions. This is to ensure greater commitment to the sessions. We hope that at least half our children will attend one or more ASAs this year.	Reception – Year 6	Increased participation in sports based ASA. Improved level of skills being demonstrated leading to success in competitions. Increased enjoyment. Improved levels of fitness.
Lunchtimes £7,620	Our sports coach provides targeted sports activities for children in our new MUGA for both key stages each lunchtime. We have a professional basketball coach who is working with year 5 and 6 every Friday... We also employ another coach who focusses on tennis and volleyball every Monday in our school hall. We are training 30 sports leaders to work alongside our lunchtime staff to organise sporting equipment which is available for all children to use. These sessions may involve learning a new sport, or improving skills in a familiar sport, with the emphasis on fun and enjoyment.	KS1 & KS2	Increased participation in organised sporting activities. Improved level of skills being demonstrated leading to success in competitions. Increased enjoyment. Improved levels of fitness.
Outdoor Education	Our Year 6s have a week-long visit to Fairplay House, an	Year 6	Improved teamwork across a

<p>TOTAL £32,120</p>			

As you can see, we continue to allocate a significant amount of money to PE. We are pleased that the additional funding is making it possible for us to provide even more than we have done in the past.

We have continued to use the Sports Premium funding of £18,650 to increase the capacity and range of sporting After School Activities that we offer, by bringing in additional coaches from outside providers, and have put an additional sports coach in the playground at lunchtimes to support the sports provision for all the children. We have implemented two hours of PE each week, one session focussing on competitive sports with the sports coach and the other session led by class teachers focussing on the National curriculum.
